Student Voice

Student Voice Survey implementation procedures have changed for the 2015-16 school year. Districts using *Infinite Campus* for survey administration will have access from **January 4, 2016 through March 4, 2016**. Districts using *paper/pencil* or other manual methods may schedule the surveys **based on the timeline established in the Certified Evaluation Plan**.

The changes will require key coordination efforts by administration, building coordinators and the Student Voice point-of-contact. KDE is currently updating the Student Voice webpages and revising procedures within Infinite Campus. **Districts will be notified when revisions and guidelines have been completed and step-by-step guidance will be provided. This notification should be received by COB Monday October 12.**

- Student Voice *Infinite Campus* (IC) timeframe is January 4 – March 4, 2016
- Districts may choose the mode to administer the survey: paper/pencil, Scantron, Survey Monkey, Grade Cam, IC, or multiple methods.
- Students in grades 3 through 12 will participate in the survey
- Students will retain anonymity when taking the survey
- **All** certified teachers and other professionals in grades 3-12 will participate in the survey. Classes may be combined to reach the minimum number for survey results to be considered.
- Other professional survey questions are undergoing a validation process and are scheduled for release in November. The **other professionals' survey questions will not be administered using Infinite Campus. Those surveys will be administered using paper/pencil or other manual methods only.**
